

XTS®

GET ALL THE BENEFITS OF MICHELIN®
RADIAL TIRE TECHNOLOGY!

With the XTS®, you will get:

- Longer tire life for improved cost-per-hour
- Extra resistance to damage for maximum uptime
- Large ground contact area for excellent traction

THE TIRE OF CHOICE FOR:

SCRAPERS

The Michelin® E3T radial tire for mid-sized scrapers engineered to provide exceptionally long life, excellent resistance to damage and enhanced traction.

Exceptional Performance:

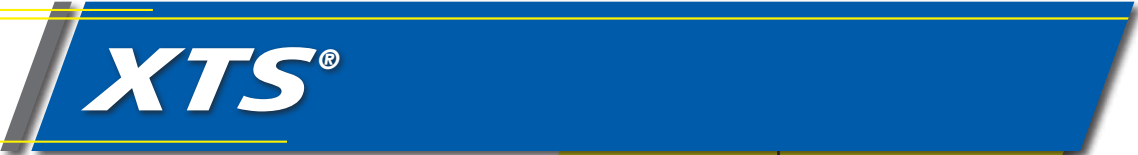

- Excellent traction and flotation; outstanding stability; enhanced operator comfort; less vehicle damage

Excellent Productivity:

- Cooler operating temperatures, less susceptibility to damage from impacts and penetrations

Low Operating Costs:

- Long-lasting, even-wearing tread pattern; durable with low rolling resistance for efficient fuel economy; easy to repair

Long Life
The innovative tread design coupled with new rubber compounding results in up to 20% longer life.*

SIZE	TREAD DEPTH	
	32nds	MM
29.5R29	47	37
33.25R29	55	44
29.5R35	50	40
37.25R35	59	47

Optimal Comfort
The staggered tread blocks minimize vibration for enhanced operator comfort.

Excellent Traction
The open, non-directional tread design and large ground contact area offer excellent traction.

Maximum Resistance to Damage
Eight percent more rubber* in the tread and shoulders along with the square tread provide excellent protection in tough operation conditions.
