

DRIVE-AXLE WORKHORSE FOR ON-HIGHWAY OPERATIONS.

The TY303 is the ideal highway drive tire for 2- or 3-axle tractors and also available in low-profile sizes. Its tread delivers long mileage, even treadwear and increased traction. The superior design and compound of the tire increases fuel economy and provides excellent retreadability.

■ **LONGEVITY** *Built to last for miles*

Specialized tread compound generates fuel efficiency while delivering long treadlife.

■ **EFFICIENCY** *Designed for low rolling resistance*

Rib-block tread design provides low rolling resistance, outstanding traction on snow and muddy terrain, and excellent durability.

■ **AVAILABILITY** *Industry-leading support*

Yokohama Emergency Service (YES) provides fast, efficient service any time of day—24/7.

SmartSolution Certified Program recognizes the best dealers in the industry assuring fleet customers will receive the most effective and efficient solutions to their trucking needs.

■ **DEPENDABILITY** *Delivers superior traction and even wear*

Mud and snow rated for outstanding traction in any weather.

Advanced arrangement of **shoulder lug grooves** promotes even treadwear.

IT'S IN OUR DNA.

Our innovative business philosophy, SmartSolution,TM is our commitment to meeting the most essential demands of today's fleets: Longevity, Efficiency, Availability and Dependability.
